

boost::default\_bfs  
\_visitor

```
graph BT; A[tesseract_scene_graph::SceneGraph::children_detector] --> B[boost::default_bfs_visitor];
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'boost::default\_bfs\_visitor'. A dark gray box at the bottom contains the text 'tesseract\_scene\_graph::SceneGraph::children\_detector'. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating that the bottom class inherits from the top class.

tesseract\_scene\_graph  
::SceneGraph::children  
\_detector
