The diagram illustrates a file dependency structure. At the top is a header file box containing the path 'tesseract_kinematics /ikfast/include/tesseract_kinematics/ikfast/impl /ikfast_inv_kin.hpp'. Below it are two source file boxes. The left box contains 'tesseract_kinematics /test/abb_irb2400_ikfast_kinematics.cpp' and the right box contains 'tesseract_kinematics /test/iiwa7_ikfast_kinematics.cpp'. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
